

# Clay & Clean

Paint cleaning clay

Clay & Clean paint cleaning clay gently removes stubborn residues such as tar, rust, insect remains, and tree resin from vehicle paint. Clay & Clean creates a smooth, clean surface — ideal as preparation for further polishing and care steps.

## Areas of application:

For removing stubborn residues such as tar, rust, insect remains, and tree resin from paint, metal, chrome, and glass.

## Color:

turquoise green

## Properties:

- Grinding grade: fine
- Hardness: soft / medium-hard
- Multiple applications possible

## Application:

Thoroughly clean and dry the vehicle. Wet the surface with a lubricant such as servFaces Clay Lube Concentrate and apply the clay with gentle, straight motions over the surface, especially over any noticeable dirt. Check occasionally with the palm of your hand to ensure the surface is smooth. Repeat the application if necessary. Then wipe the treated area with a clean microfiber cloth. After use, moisten the Clay & Clean and store it securely in the box.

## Accessories:

Clay Lube Concentrate
