

Applicator Mitt

Microfiber Application Mitt

The servFaces Applicator Mitt is silicone-free and guarantees uniform and cost-effective application of various servFaces coatings, car care products and waxes. The very fine microfiber structure with a foam core prevents excessive absorption of liquids or wax and saves valuable material.

Areas of application:

- Application of various servFaces coatings, car care products and waxes

Color:

Light & Dark grey

Properties:

- special fiber structure (320 GSM)
- double-sided short-pile, solid fiber structure
- extremely high gliding ability

Material:

72% Polyester, 10% Polyamid, 18% Polyurethan

Care instructions:

Washable up to 60°C / without fabric softener

Variants:

Art. No.:	Size:	Weight:	Content:
SF10413	12.5 cm x 10.5 cm	320 GSM	2 pieces
