

Wheel Brush PRO

Rim brush for thorough rim cleaning

The servFaces Wheel Brush PRO is indispensable for professional rim cleaning due to its special properties and is suitable for all types of rims. The brush head is made of robust, chemical-resistant and at the same time material-friendly nylon threads that ensure thorough cleaning. The round shape enables targeted cleaning of angled spoke, that makes intensive dirt removal possible.

Attention: For high-gloss/chrome rims and other sensitive rims, check compatibility on a hidden area first!
